March 2024

Assalamu Alaikum Wa Rahmatullah (Peace be upon you),

I hope you all are doing well and staying safe. As Ramadan, the month of gratitude and blessings approaches us, I am incredibly pleased to write to you today – and I am sure you will also be glad to know that the project of the Bangladesh Orphans Center (BOC) is progressively achieving its desired goals. Your active participation and generous support are playing a pivotal role in this effect. On behalf of the BOC, I would like to express to you my sincere appreciation and profound gratitude.

I am also pleased to inform you that the BOC has so far been able to enroll 390 students (from Kindergarten to 10th Grade, Nurani Section, and Hifz-e-Quran Program level). The BOC is currently providing those poor orphans and destitute boys and girls with, inter alia, free education, free room and board, free medical care, free clothing, and sports to enable them to become worthy individuals in society.

As regards accommodation for the students, currently our students are utilizing all the available floor spaces/rooms for their studies and residences, which is gradually becoming insufficient compared to the increasing number of enrollments. If this trend continues, we will, Insha Allah, in due course, be able to fulfill the anticipated target of enrollment. Therefore, we urgently need to construct more floors/rooms to fulfill the growing demand due to the increase in the number of students. It is natural that, under the situation, the recurring expenditures of the BOC will also be soaring soon.

The BOC, as you know, runs entirely on voluntary contributions and according to the provisions of its Statute. On behalf of the BOC, I would once again like to make a passionate appeal to you, respected Brothers/Sisters in Islam, to generously donate to this noble project. I humbly encourage you to grab the opportunity to have your multiplied rewards from Almighty Allah (SWT). Thank you very much, and may Almighty Allah accept our humble efforts! Ameen!!

Sincerely,
Mohammad Noor
President
