Assalamu Alaikum Wa Rahmatullah,

My dear respectable and beloved members of the managing committee of the Bangladesh Orphans' Center (BOC), it is a great honor for me to present our next phase expansion and implementation of the BOC Master Plan – **the Bangladesh Orphans Center School and College****.

With this forthcoming expansion I am appealing to you, your family, relatives, and friends for your generosity and support. The same generosity and support, which was received during the initial establishment of our beloved BOC in 2002. From the very beginning, we formulated **Master Plan** for the BOC which included the following:

- (1) Hifz training,
- (2) Primary School,
- (3) High School,
- (4) College, **
- (5) Hostel for 1200 students, and
- (6) An office building.

**College is proposed

Since its conception, the BOC project has been in its **First Phase** from 2002-2019.

Current Project Activities (First Phase)

Activity	Current Status
1. Hifz Training	Temporary building
2. Nurany Section	Temporary tin shed building
3. Primary Section	Temporarily using dining hall building
4. High School	Goal: 4 story building Status: 2 story completed
5. Orphans/Destitute Shelter/Hostel	Temporarily using High School building
6. Dining Hall	Goal: 2 story building Status: 1 story completed
7. Pond for students and others	
8. Playground for students	
9. Teachers Office Room (school building)	
10. Computer Classroom	
11. Sewing Machine Classroom	
12. Piece of Land about 250 Decimal	

Phase One resulted in a total of **Tk 4,17,23,438.00** in expenditures for orphans, destitute, education, staffing of teachers, and construction costs.

Therefore, I am requesting that the BOC Managing Committee to **proceed** with the full implementation of **Phase Two** of the BOC Master Plan. The BOC was a dream and it is now a reality, which is why we need to continue in working together on the development of our beloved BOC to ensure its future.
